Staff Changes for 2024

As we get closer to the end of the year, I thought I would inform you of the changes to staffing for 2024.

I will be taking long service leave in Term 1 next year and then I will be retiring from Term 2. I have worked in education for the past 47 years and am looking forward to some time for myself and family. I have really enjoyed my time at Springhurst for the last 11 years and have made some lovely lifelong friendships.

An acting Principal position has been advertised for Term 1 2024, and then a substantive position will be advertised early next year.

I'm sure the new Principal will love the school as much as I do.

From Mr S

Personally, I am also writing this to let you all know that I will not be at the school next year. I'd like to thank all the families for their support over the past three years and one term. I have had a great time at Springhurst Primary School, since beginning in 2020, and have really enjoyed working with our great students.

My new found responsibilities at home have prompted me to gain employment a little closer to Wangaratta. I will miss the Springhurst School Community and look forward to following the progress of the students in the coming years.

MACC Position

We have advertised for a new Art and Craft teacher as Lucy Turner is taking 12 months leave. The students, both at Springhurst and all the service schools, have thoroughly enjoyed having Lucy as their Art teacher over the last couple of years. We wish her all the best for the future.

ART Miss Turner has come up with a ripper Art piece for the end-of-year and Year 6 final project. The beautiful weather provided the chance to enjoy an outdoor studio and students began patiently working on their paint designs.
